PREFACE

AN ESCROW FEE is the amount charged for the acceptance of an escrow transaction and performance of the escrow duties by an Escrow Agent. The fee for a particular escrow transaction is based on either the **Fair Value** of the property or is a set flat charge.

When the fee is based on the **Fair Value** of the property, the appropriate fee is calculated from schedules of charges in which fee amounts are listed coinciding with the **Fair Value** amounts in increments of \$20,000.

There are various sub-categories of these fees based on the terms and conditions specific to each escrow transaction. The appropriate way to calculate a fee for each escrow transaction is the subject of this Schedule and General Rules, and a thorough understanding of the escrow transaction and this Schedule and the General Rules is required in order to charge correctly. Whenever percentages are used to derive a particular escrow fee, the fee may be rounded to the next highest dollar.

SECTION I GENERAL RULES

A. Definitions

Escrow -- Any transaction in which any escrow property is delivered with or without transfer of legal or equitable title, or both, and irrespective of whether a debtor- creditor relationship is created, to a person not otherwise having any right, title or interest herein in connection with the sale, transfer, encumbrance or lease of real or personal property, to be delivered or redelivered by that person upon the contingent happening or non-happening of a specified event or performance or non-performance of a prescribed act, when it is then to be delivered by such person to a grantee, grantor, promisee, promisor, obligee, obligor, bailee, bailor, or any designed agent or employee of any of them. In title industry parlance, it means the depositing with an impartial third party called the escrow agent (usually the title company) of anything pertaining to a real estate transaction including money and documents of all kinds which are to be disbursed and delivered to the rightful parties by the escrow agent when all conditions of the transaction have been met. Escrow includes subdivision trusts and account servicing. (A.R.S. 6-801, as Amended)

Escrow Agent – An Escrow Agent is any person engaged in the business of accepting escrows. (A.R.S. 6-801, as Amended)

Unless otherwise specified herein, whenever there is a reference to “**Escrow Agent**”, **Escrow Agent** shall mean the Company, PGP Title, Inc.

Escrow Business -- A commercial activity characterized by the regular and continuous carrying on of escrow transactions. (A.R.S. 6-801, as Amended)

Escrow Agreement – A written agreement usually made between buyer, seller and escrow agent, but sometimes only between one person and the escrow agent. It sets forth the conditions to be performed incident to the object deposited in escrow and gives the escrow agent instructions with respect to the disposition of the object so deposited.

Fair Value --

- 1) Sale Transaction: The **Fair Value** means the full amount of the consideration paid to the Seller, including any encumbrances being assumed by the buyer and/or the **Fair Value** shall be determined from all available information, i.e., amount of encumbrances, assessed value, comparable sale data, etc.
- 2) Non-Sale Transaction: Where a sale is not involved, the **Fair Value** shall be the principal amount of the new loan.

B. Computation of The Basic Escrow Fee

The Basic Escrow Fee is based on the **Fair Value** of the property as defined above in increments of \$20,000, including any fractional percentage thereof or a set flat charge. The Basic Escrow Fee rate chart is attached hereto as Exhibit "A".

Whenever a percentage or fractional percentage of the **Fair Value** is used, the fee arrived at from use of the percentage shall be rounded to the next highest fee increment. For example, if the **Fair Value** is \$100,010.00, the Basic Escrow Fee will be based on \$120,000.00.

The Basic Escrow Fee includes customary basic escrow services and electronic document delivery, messenger/overnight mail and wire transfer fees. Additional services will be charged according to Section IV, Schedule of Additional Fees.

C. Acquisitions of Undivided Interests

D. Multiple Sales or Exchanges

The Basic Escrow Fee is calculated on the **Fair Value** of each property being conveyed, even though there may be common parties involved in these multiple or single escrow transactions and/or concurrent recordings.

E. Minimum Fees, Charges, Cancellation Fees and Special Risks

The fees herein are minimum charges. Additional charges will be made when unusual conditions are encountered, when special risks are assumed or when special services are provided as deemed necessary by reason of terms and conditions set forth in the escrow transaction.
