## **GENERAL RULES**

### **A. DEFINITION OF ESCROW**

"Escrow" means any transaction in which any escrow property is delivered with or without transfer of legal or equitable title, or other, and irrespective of whether a debtor-creditor relationship is created, to a person not otherwise having any right, title, or interest therein in connection with the sale, transfer, encumbrance or lease of real or personal property, to be delivered or redelivered by that person upon contingent happening or on happening of a specific event or performance or non-performance of a prescribed act, when it is then to be delivered by such person to a grantee, grantor, promise, promisor, obligee, obligor, bailee, bailor, or any designated agent or employee of any of them. (A.R.S. 6-801) Escrow includes subdivision trusts and account servicing.

### **B. COMPUTATION FROM BASIC RATE**

The rates will always be applied for fair value as defined in Section D below in multiples of \$1,000 including any fraction thereof. Whenever percentages of the Basic Escrow Rate are used herein, The charge arrived at from use of the percentage will be rounded off to the nearest dollar.

### **C. FAIR VALUE**

The fair value will be construed as the full value of the property, including the encumbrances. Where a sale is not involved, the fair value will be determined from all the available information, i.e. number of encumbrances, assessed value, etc. In no event will it be less than the sum of the unpaid principal balances of the mortgages and/or contracts to which the property is subject.

### **D. MINIMUM CHARGES AND SPECIAL RISKS**

The charges set forth herein are the minimum charges. Any additional charges will be made when unusual conditions are encountered in the escrow, or when special risks are assumed, or when special services are provided.

### **E. RATE AND CHARGES IN EFFECT PRIOR TO FILING**

All rates contained herein become effective when approved by the Superintendent of Banks or by operation of law.

### **F. SEPARATED SALES OR EXCHANGES (DIFFERENT OWNERS)**

Basic charge applicable (section 801) on each separate sale, seller, or exchanger, involved. The applicable charge applies on the amount of each individual sale or exchange, even though there may be on (1) common purchaser, and the sales or exchanges are handled concurrently, and one (1) or more separate escrows involved.

### **G. UNDIVIDED INTEREST, TRANSFER OR INTEREST (WHEN SOLD SEPARATELY FROM REMAINING INTEREST)**

Basic charge applicable (section 801) based upon the interest covered, the purchase price or the fair value thereof, whichever is higher.

**801– Basic Escrow Bundled Rate**

On all purchase transactions, the minimum charge of 100% of the Basic Escrow Bundled Rate will be based upon the fair value of the property in the escrow, which includes a standard notary charge of \$200.00. If additional charges are applicable, all such charges will be added to the Basic Escrow Rate. If discounts are applied, the escrow rate will not be lower than our minimum charge unless there is a negotiated rate agreement signed by both parties.

NOTE: Please contact the Escrow Administrator for rates applicable to escrows that have special circumstances.

**802- Buyer All Inclusive Rate (Residential)**
