An Escrow Fee is the amount charged for the acceptance of an escrow transaction and performance of the escrow duties by an Escrow Agent. The fee for a escrow transaction is based either on the **Fair Value** of the property or is a set flat charge each of which are determinable at the sole discretion of the Escrow Agent.

When the fee is based on the **Fair Value** of the property, the appropriate fee is calculated from schedules of charges where fee amounts are listed coinciding with the **Fair Value** amounts in increments of \$5,000.00.
