I. Fair Value

The Basic Escrow Rates will be determined by the Fair Value of the property, which is construed as the full value of the property, including any encumbrances. All available information will be used to assess the Fair Value. At no time will the Fair

Value be less than any unpaid principal mortgage balances or contracts to which the property is subject.

II. Minimum Charges

The Basic Escrow Rates stated are minimum charges, and additional charges will be incurred when services are requested. The signing of final documents and the deposit of final funds or the acceptance of the work performed will constitute approval of the charges.

III. Negotiated Rates / Unique Escrow Requirements

From time to time, it may become necessary for Security First Title Agency LLC to make agreements for various services to be rendered and the charges to be made thereon. All requests need to be approved by those authorized to do so by Security First Title Agency LLC to maintain continuity of requests of a similar nature. An agreement signed by all interested parties shall be kept with the escrow file for which it applies. Minimum rates shall not apply.
