GENERAL RULES

A. DEFINITION OF ESCROW

“Escrow means any transaction in which any property is delivered with or without transfer of legal or equitable title, or other, and irrespective of whether a debtor-creditor relationship is created, to a person not otherwise having any right, title, or interest therein in connection with the sale, transfer, encumbrance, or lease of real or personal property, to be delivered or redelivered by that person upon contingent happening or non-happening of a specific event or performance or non-performance of a prescribed act, when it is then to be delivered by such person to a grantee, grantor, promise, promisor, obligee, obligor, bailee, bailor, or any designated agent or employee of any of them. Escrow includes subdivision trusts and account servicing.” A.R.S. 6-801

B. COMPUTATION FROM BASIC RATE

The rates charged by Empower Settlement Services LLC (“Empower”) will always be applied on fair value as defined in C. below in multiples of \$5,000.00 including any fraction thereof. Whenever percentages of the Basic Escrow Rate are used herein, the charge arrived at from use of the percentage will be rounded off to the nearest dollar.

C. FAIR VALUE

The fair value will be construed as the full value of the property, including encumbrances. Where a sale is not involved, the fair value will be determined from all available information, i.e. amount of encumbrances, associated value, etc. In no event will it be less than the sum of the unpaid principal balances of the mortgages and/or contracts to which the property is subject.

D. MINIMUM CHARGES AND SPECIAL RISKS

The charges set forth herein are minimum charges. Any additional charges will be made when unusual conditions are encountered in the escrow, or when special risks are assumed, or when special services are provided.

E. RATE AND CHARGES IN EFFECT PRIOR TO FILING

All rates contained herein become effective when approved by the Superintendent of Financial Institutions or by operation of law.

F. SEPARATED SALES OR EXCHANGES (DIFFERENT OWNERS)

The Basic Charge is applicable (Section 801) on each separate sale, seller, or exchanger, involved. The applicable charge applies on the amount of each individual sale or exchange, even though there may be one (1) common purchaser, and the sales or exchanges are handled concurrently, and one (1) or more separate escrows are involved.
