A Message from Director Richardson

Governor Hobbs and Members of the Arizona Legislature:

It is my privilege to submit to you the Department of Insurance and Financial Institutions' (DIFI) Division of Insurance Annual Report. This report contains the most current and complete insurer financial and status information available for calendar year 2023, and includes other data reported for fiscal year 2024.

The report highlights the insurance industry's continued growth in Arizona and the economic benefits that result. Growth in the insurance sector demonstrates strength in the state's economy and confidence in the future. The following highlights are included in the report:

- DIFI staff licensed 407,458 insurance producers, an 7.3% increase in calendar year 2023 compared to calendar year 2022
- The number of Arizona-domiciled insurers increased by 6.7% in calendar year 2023
- Arizona premiums rose by 13.4% in calendar year 2023, exceeding \$8.4 billion in total written premium.
- Arizona captive insurers grew by 9% in calendar year 2023 compared to calendar year 2022
- DIFI collected \$815,791,674 in premium tax from insurers operating in Arizona, reflecting a 6.3% increase in Fiscal year 2024 versus Fiscal year 2023

The support DIFI has received from the Governor's Office and the legislature has made our important work possible and has created a blueprint that promises innovation, improved communication to stakeholders and a redoubling of our steadfast commitment to consumer protection. I am proud of the Insurance Division's accomplishments during calendar year 2023 and Fiscal year 2024 – made possible through the outstanding work of the dedicated DIFI employees, and look forward to achieving even greater success in the years to come.

Respectfully,

Barbara D. Richardson

Barbara D. Richardson

Director
