Docket No. 24A-086-INS

**ORDER APPROVING  
ACQUISITION**

11 On July 23, 2024, MBA Marquette, LLC (“Petitioner”) submitted an application for the  
12 acquisition of control of Marquette Indemnity and Life Insurance Company (“Insurer”) to the  
13 Arizona Department of Insurance and Financial Institutions (the “Department”) for approval of  
14 Petitioner as the controlling person of the Insurer pursuant to the provisions of Arizona Revised  
15 Statutes (A.R.S.) §§20-481 through 20-481.32 and Arizona Administrative Code (A.A.C.) R20-  
16 6-1402.

17 Based upon reliable evidence provided to the Director of Insurance and Financial  
18 Institutions (“Director”) by the Deputy Assistant Director of the Financial Affairs Division of the  
19 Department, the Department finds as follows:

**FINDINGS OF FACT**

- 21 1. The Insurer is a domestic insurer as referred to in A.R.S. §20-481.
- 22 2. The Petitioner filed a statement as referred to in A.R.S. §§20-481.02 and 20-  
23 481.03, in the form required by A.A.C. R20-6-1402.

1           3.       The Insurer and its security holders waived the ten (10) day advance filing notice  
2 to be given as required by A.R.S. §20-481.07(D).

3           4.       No evidence has been produced that would indicate or form the basis for a  
4 finding that the Petitioner's acquisition of control of the Insurer:

5           a.       Is contrary to law;

6           b.       Is inequitable to the shareholders of any domestic insurer involved;

7           c.       Would substantially reduce the security of and service to be rendered to the  
8 policyholders of the domestic insurer in this State or elsewhere;

9           d.       After the change of control, the domestic insurer would not be able to satisfy the  
10 requirements for the reissuance of a Certificate of Authority to write the line or lines of  
11 insurance for which it is presently licensed;

12          e.       Would have the effect of substantially lessening competition in insurance in this  
13 state, or tend to create a monopoly;

14          f.       Might jeopardize the financial stability of the Insurer or prejudice the interest of its  
15 policyholders, based upon the financial condition of any acquiring party;

16          g.       Is unfair and unreasonable to policyholders of the Insurer and is not in the public  
17 interest, based upon the plans or proposals that the acquiring party has to liquidate the insurer,  
18 sell its assets or consolidate or merge it with any person, or to make any other material change  
19 in its business or corporate structure or management;

20          h.       Would not be in the public interest of policyholders of the Insurer and of the  
21 public to permit the merger or other acquisition of control based upon the competence,  
22 experience and integrity of those persons who would control the operation of the Insurer; or

23          i.       Would likely be hazardous or prejudicial to the insurance-buying public.  
24

1 the Director or any other person in the course of filing the application is confidential and  
2 privileged, is not subject to Title 39, Chapter 1, Article 2 and is not subject to subpoena.

3 3. The Petitioner shall advise the Director in writing of the effective date of the  
4 change of control.

5 4. Upon consummation of this acquisition, the Insurer shall file its registration  
6 statement in the form required by A.A.C. R20-6-1403(B) and within the time period prescribed  
7 by A.R.S. §20-481.13. If the registration statement would duplicate the information previously  
8 submitted by the Petitioner in the statement filed with the Department pursuant to A.R.S. §20-  
9 481.03 and there have been no material changes since the filing of that statement, then the  
10 Insurer shall submit a statement to that effect incorporating by reference the statement  
11 previously filed with the Department in lieu of the registration statement;

12 5. The failure to adhere to one or more of the above terms and conditions shall  
13 result without further proceedings in the suspension or revocation of the Insurer's Certificate of  
14 Authority.

15 Effective this 13th day of September, 2024.
