ARTICLE 16. CREDIT FOR REINSURANCE

PART A. CREDIT FOR REINSURANCE

R20-6-A1601. Credit for Reinsurance – Reinsurer Licensed in Arizona

Pursuant to A.R.S. § 20-3602(C) the Director shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer that was licensed in Arizona as of any date on which statutory financial statement credit for reinsurance is claimed.

R20-6-A1602. Credit for Reinsurance – Accredited Reinsurers

- A.** Pursuant to A.R.S. § 20-3602(D) the Director shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer that is accredited as a reinsurer in Arizona as of the date on which statutory financial statement credit for reinsurance is claimed.
- B.** An accredited reinsurer must:
1. File a properly executed Form AR-1, attached as Appendix A to this Part, as evidence of its submission to the Director’s jurisdiction and to the Director’s authority to examine its books and records;
 2. File with the Director a certified copy of a certificate of authority or other acceptable evidence that it is licensed to transact insurance or reinsurance in at least one state, or, in the case of a U.S. branch of an alien assuming insurer, is entered through and licensed to transact insurance or reinsurance in at least one state;
 3. File annually with the Director a copy of its annual statement filed with the insurance department of its state of domicile or, in the case of an alien assuming insurer, with the state through which it is entered and in which it is licensed to transact insurance or reinsurance, and a copy of its most recent audited financial statement; and
 4. Maintain a surplus as regards policyholders in an amount not less than \$20 million, or obtain the affirmative approval of the Director upon a finding that it has adequate financial capacity to meet its reinsurance obligations and is otherwise qualified to assume reinsurance from domestic insurers.
- C.** If the Director determines that the assuming insurer has failed to meet or maintain any of these qualifications, the Director may upon written notice and opportunity for hearing, suspend or revoke the accreditation. Credit shall not be allowed a domestic ceding insurer under this Section if the assuming insurer’s accreditation has been revoked by the Director, or if the reinsurance was ceded while the assuming insurer’s accreditation was under suspension by the Director.

R20-6-A1603. Credit for Reinsurance – Reinsurer Domiciled in Another State

- A.** Pursuant to A.R.S. § 20-3602(E) the Director shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer that as of any date on which statutory financial credit for reinsurance is claimed:
1. Is domiciled in (or, in the case of a U.S. branch of an alien assuming insurer, is entered through) a state that employs standards regarding credit for reinsurance substantially similar to those applicable under A.R.S. Title 20, Chapter 30 and this Part;
 2. Maintains a surplus as regards policyholders in an amount not less than \$20 million; and

3. Files a properly executed Form AR-1 (Exhibit A) with the Director as evidence of the submission to the Director's authority to examine its books and records.
- B.** The provisions of this Section relating to surplus as regards policyholders shall not apply to reinsurance ceded and assumed pursuant to pooling arrangements among insurers in the same holding company system. As used in this Section, "substantially similar" standards means credit for reinsurance standards that the Director determines equal or exceed the standards of A.R.S. Title 20, Chapter 30 and this Part.

R20-6-A1604. Credit for Reinsurance – Reinsurers Maintaining Trust Funds

- A.** Pursuant to A.R.S. § 20-3602(F) and (F)(1), the Director shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer which, as of any date on which statutory financial statement credit for reinsurance is claimed, and thereafter for so long as credit for reinsurance is claimed, maintains a trust fund in an amount prescribed below in a qualified U.S. financial institution as defined in A.R.S. § 20-3601 for the payment of the valid claims of its U.S. domiciled ceding insurers, their assigns and successors in interest. The assuming insurer shall report annually to the Director substantially the same information as that required to be reported on the National Association of Insurance Commissioners (NAIC) annual statement form by licensed insurers, to enable the Director to determine the sufficiency of the trust fund.
- B.** The following requirements apply to the following categories of assuming insurer:
 1. The trust fund for a single assuming insurer shall consist of funds in trust in an amount not less than the assuming insurer's liabilities attributable to reinsurance ceded by U.S. domiciled insurers, and in addition, the assuming insurer shall maintain a trustee surplus of not less than \$20 million, except as provided in subsection (B)(2) of this Section.
 2. At any time after the assuming insurer has permanently discontinued underwriting new business secured by the trust for at least three full years, the commissioner with principal regulatory oversight of the trust may authorize a reduction in the required trustee surplus, but only after a finding, based on an assessment of the risk, that the new required surplus level is adequate for the protection of U.S. ceding insurers, policyholders and claimants in light of reasonably foreseeable adverse loss development. The risk assessment may involve an actuarial review, including an independent analysis of reserves and cash flows, and shall consider all material risk factors, including when applicable the lines of business involved, the stability of the incurred loss estimates and the effect of the surplus requirements on the assuming insurer's liquidity or solvency. The minimum required trustee surplus may not be reduced to an amount less than 30% of the assuming insurer's liabilities, attributable to reinsurance ceded by U.S. ceding insurers covered by the trust.
 3. The trust fund for a group including incorporated and individual unincorporated underwriters:
 - a. Shall consist of:
 - i. For reinsurance ceded under reinsurance agreements with an inception, amendment or renewal date on or after January 1, 1993, funds in trust in an amount not less than the respective underwriters' several liabilities attributable to business ceded by U.S. domiciled ceding insurers to any underwriter of the group;

- ii. For reinsurance ceded under reinsurance agreements with an inception date on or before December 31, 1992, and not amended or renewed after that date, notwithstanding the other provisions of this Part, funds in trust in an amount not less than the respective underwriters' several insurance and reinsurance liabilities attributable to business written in the United States; and
 - iii. In addition to these trusts, the group shall maintain a trusteed surplus of which \$100 million shall be held jointly for the benefit of the U.S. domiciled ceding insurers of any member of the group for all the years of account.
 - b. The incorporated members of the group shall not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of regulation and solvency control by the group's domiciliary regulator as are the unincorporated members. The group shall, within 90 days after its financial statements are due to be filed with the group's domiciliary regulator, provide to the Director:
 - i. An annual certification by the group's domiciliary regulator of the solvency of each underwriter member of the group; or
 - ii. If a certification is unavailable, a financial statement, prepared by independent public accountants, of each underwriter member of the group.
- 4. The trust fund for a group of incorporated insurers under common administration, whose members possess aggregate policyholders surplus of \$10 billion (calculated and reported in substantially the same manner as prescribed by the annual statement instructions and Accounting Practices and Procedures Manual of the NAIC) and which has continuously transacted an insurance business outside the United States for at least three years immediately prior to making application for accreditation, shall:
 - a. Consist of funds in trust in an amount no less than the assuming insurers' several liabilities attributable to business ceded by U.S. domiciled ceding insurers to any members of the group pursuant to reinsurance contracts issued in the name of such group;
 - b. Maintain a joint trusteed surplus of which \$100 million shall be held jointly for the benefit of U.S. domiciled ceding insurers of any member of the group; and
 - c. File a properly executed Form AR-1 (Exhibit A) as evidence of the submission to the Director's authority to examine the books and records of any of its members and shall certify that any member examined will bear the expense of any such examination.
 - d. Within 90 days after the statements are due to be filed with the group's domiciliary regulator, the group shall file with the Director an annual certification of each underwriter member's solvency by the member's domiciliary regulators, and financial statements, prepared by independent public accountants, of each underwriter member of the group.
- C. Credit for reinsurance shall not be granted unless the form of the trust and any amendments to the trust have been approved by either the commissioner of the state where the trust is domiciled or the commissioner of another state who, pursuant to the terms of the trust instrument, has accepted responsibility for regulatory oversight of the trust. The form of the trust and any trust amendments also shall be filed with the commissioner of every state in which the ceding insurer beneficiaries of the trust are domiciled.
 - 1. The trust instrument shall provide that:

- a. Contested claims shall be valid and enforceable out of funds in trust to the extent remaining unsatisfied 30 days after entry of the final order of any court of competent jurisdiction in the United States;
 - b. Legal title to the assets of the trust shall be vested in the trustee for the benefit of the grantor's U.S. ceding insurers, their assigns and successors in interest;
 - c. The trust shall be subject to examination as determined by the commissioner;
 - d. The trust shall remain in effect for as long as the assuming insurer, or any member or former member of a group of insurers, shall have outstanding obligations under reinsurance agreements subject to the trust; and
 - e. No later than February 28 of each year the trustee of the trust shall report to the commissioner in writing setting forth the balance in the trust and listing the trust's investments at the preceding year-end, and shall certify the date of termination of the trust, if so planned, or certify that the trust shall not expire prior to the following December 31.
2. Notwithstanding any other provisions in the trust instrument;
- a. If the trust fund is inadequate because it contains an amount less than the amount required by this Section or if the grantor of the trust has been declared insolvent or placed into receivership, rehabilitation, liquidation, or similar proceedings under the laws of its state or country of domicile, the trustee shall comply with an order of the commissioner with regulatory oversight over the trust or with an order of a court of competent jurisdiction directing the trustee to transfer to the commissioner with regulatory oversight over the trust or other designated receiver all of the assets of the trust fund.
 - b. The assets shall be distributed by and claims shall be filed with and valued by the commissioner with regulatory oversight over the trust in accordance with the laws of the state in which the trust is domiciled applicable to the liquidation of domestic insurance companies.
 - c. If the commissioner with regulatory oversight over the trust determines that the assets of the trust fund or any part thereof are not necessary to satisfy the claims of the U.S. beneficiaries of the trust, the commissioner with regulatory oversight over the trust shall return the assets, or any part thereof, to the trustee for distribution in accordance with the trust agreement.
 - d. The grantor shall waive any right otherwise available to it under U.S. law that is inconsistent with this provision.
- D.** For purposes of this Section, the term "liabilities" shall mean the assuming insurer's gross liabilities attributable to reinsurance ceded by U.S. domiciled insurers excluding liabilities that are otherwise secured by acceptable means, and, shall include:
1. For business ceded by domestic insurers authorized to write accident and health, and property and casualty insurance:
 - a. Losses and allocated loss expenses paid by the ceding insurer, recoverable from the assuming insurer;

- E.** Assets deposited in trusts established pursuant to A.R.S. § 20-3602 and this Section shall be valued according to their current fair market value and shall consist only of cash in U.S. dollars, certificates of deposit issued by a U.S. financial institution as defined in A.R.S. § 20-3601, clean, irrevocable, unconditional, and “evergreen” letters of credit issued or confirmed by a qualified U.S. financial institution as defined in A.R.S. § 20-3601, and investments of the type specified in this subsection (E), but investments in or issued by an entity controlling, controlled by or under common control with either the grantor or beneficiary of the trust shall not exceed 5% of total investments. No more than 20% of the total of the investments in the trust may be foreign investments authorized under subsections (E)(1)(e), (E)(3), (E)(6)(b), or (E)(7) of this Section, and no more than 10% of the total of the investments in the trust may be securities denominated in foreign currencies. For purposes of applying the preceding sentence, a depository receipt denominated in U.S. dollars and representing rights conferred by a foreign security shall be classified as a foreign investment denominated in a foreign currency. The assets of a trust established to satisfy the requirements of A.R.S. § 20-3602 shall be invested only as follows:

 - c. Have been designated as Class One or Class Two by the Securities Valuation Office of the NAIC;
- 3. Obligations issued, assumed or guaranteed by a solvent non-U.S. institution chartered in a country that is a member of the Organization for Economic Cooperation and Development or obligations of U.S. corporations issued in a non-U.S. currency, provided that in either case the obligations are rated A or higher, or the equivalent, by a rating agency recognized by the Securities Valuation Office of the NAIC;
- 4. An investment made pursuant to the provisions of subsections (E)(1), (E)(2)₂ or (E)(3) of this Section shall be subject to the following additional limitations:

- 5. As used in this Section:
 - a. "Mortgage-related security" means an obligation that is rated AA or higher (or the equivalent) by a securities rating agency recognized by the Securities Valuation Office of the NAIC and that either:
 - i. Represents ownership of one or more promissory notes or certificates of interest or participation in the notes (including any rights designed to assure servicing of, or the receipt or timeliness of receipt by the holders of the notes, certificates, or participation of amounts payable under, the notes, certificates or participation), that: (1) Are directly secured by a first lien on a single parcel of real estate, including stock allocated to a dwelling unit in a residential cooperative housing corporation, upon which is located a dwelling or mixed residential and commercial structure, or on a residential manufactured home as defined in 42 U.S.C.A. 5402(6), whether the manufactured home is considered real or personal property under the laws of the state in which it is located; and (2) Were originated by a savings and loan association, savings bank, commercial bank, credit union, insurance company, or similar institution that is supervised and examined by a federal or state housing authority, or by a mortgagee approved by the Secretary of Housing and Urban Development pursuant to 12 U.S.C.A. 1709 and 1715-b, or, where the notes involve a lien on the manufactured home, by an institution or by a financial institution approved for insurance by the Secretary of Housing and Urban Development pursuant to 12 U.S.C.A. 1703; or

 - b. “Promissory note,” when used in connection with a manufactured home, shall also include a loan, advance, or credit sale as evidenced by a retail installment sales contract or other instrument.
- 6. Equity interests.
 - a. Investments in common shares or partnership interests of a solvent U.S. institution are permissible if:

 - b. The trust agreement shall provide that the trustee shall be liable for its negligence, willful misconduct, or lack of good faith. The failure of the trustee to draw against the letter of credit in circumstances where such draw would be required shall be deemed to be negligence and/or willful misconduct.

R20-6-A1605. Credit for Reinsurance – Certified Reinsurers

A. Pursuant to A.R.S. §§ 20-3602(G), the Director shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer that has been certified as a reinsurer in Arizona at all times for which statutory financial statement credit for reinsurance is claimed under this Section. The credit allowed shall be based upon the security held by or on behalf of the ceding insurer in accordance with a rating assigned to the certified reinsurer by the Director. The security shall be in a form consistent with the provisions of A.R.S. §§ 20-3602(G), and 20-3603 and Sections R20-6-A1608 or R20-6-A1609(A). The amount of security required in order for full credit to be allowed shall correspond with the following requirements:

1. Ratings	Security Required
Secure-1	0%
Secure-2	10%
Secure-3	20%
Secure-4	50%
Secure-5	75%
Vulnerable-6	100%

2. Affiliated reinsurance transactions shall receive the same opportunity for reduced security requirements as all other reinsurance transactions.
3. The Director shall require the certified reinsurer to post 100%, for the benefit of the ceding insurer or its estate, security upon the entry of an order of rehabilitation, liquidation, or conservation against the ceding insurer.
4. In order to facilitate the prompt payment of claims, a certified reinsurer shall not be required to post security for catastrophe recoverables for a period of one year from the date of the first instance of a liability reserve entry by the ceding company as a result of a loss from a catastrophic occurrence as recognized by the Director. The one year deferral period is contingent upon the certified reinsurer continuing to pay claims in a timely manner. Reinsurance recoverables for only the following lines of business as reported on the NAIC annual financial statement related specifically to the catastrophic occurrence will be included in the deferral:
 - a. Line 1: Fire
 - b. Line 2: Allied Lines
 - c. Line 3: Farmowners multiple peril
 - d. Line 4: Homeowners multiple peril
 - e. Line 5: Commercial multiple peril
 - f. Line 9: Inland Marine
 - g. Line 12: Earthquake
 - h. Line 21: Auto physical damage
5. Credit for reinsurance under this Section shall apply only to reinsurance contracts entered into or renewed on or after the effective date of the certification of the assuming insurer. Any reinsurance contract entered into prior to the effective date of the certification of the assuming insurer that is subsequently amended after the effective date of the certification of the assuming insurer, or a new reinsurance contract, covering any risk for which collateral was provided previously, shall only be subject to this Section with respect to losses incurred and reserves reported from and after the effective date of the amendment or new contract.
6. Nothing in this Section shall prohibit the parties to a reinsurance agreement from agreeing to provisions establishing security requirements that exceed the minimum security requirements established for certified reinsurers under this Section.

B. Certification Procedure.

1. The Director shall post notice on the insurance department's website promptly upon receipt of any application for certification, including instructions on how members of the public may respond to the application. The Director may not take final action on the application until at least 30 days after posting the notice required by this subsection (B)(1).
2. The Director shall issue written notice to an assuming insurer that has made application and been approved as a certified reinsurer. Included in such notice shall be the rating assigned the certified reinsurer in accordance with subsection (A) of this Section. The Director shall publish a list of all certified reinsurers and their ratings.
3. In order to be eligible for certification, the assuming insurer shall meet the following requirements:

- a. The assuming insurer must be domiciled and licensed to transact insurance or reinsurance in a Qualified Jurisdiction, as determined by the Director pursuant to subsection (C) of this Section.
 - b. The assuming insurer must maintain capital and surplus, or its equivalent, of no less than \$250 million calculated in accordance with subsection (B)(4)(h) of this Section. This requirement may also be satisfied by an association including incorporated and individual unincorporated underwriters having minimum capital and surplus equivalents (net of liabilities) of at least \$250 million and a central fund containing a balance of at least \$250 million.
 - c. The assuming insurer must maintain financial strength ratings from two or more rating agencies deemed acceptable by the Director. These ratings shall be based on interactive communication between the rating agency and the assuming insurer and shall not be based solely on publicly available information. These financial strength ratings will be one factor used by the Director in determining the rating that is assigned to the assuming insurer. Acceptable rating agencies include the following:
 - i. Standard & Poor’s;
 - ii. Moody’s Investors Service;
 - iii. Fitch Ratings;
 - iv. A.M. Best Company; or
 - v. Any other Nationally Recognized Statistical Rating Organization.
 - d. The certified reinsurer must comply with any other requirements reasonably imposed by the Director.
4. Each certified reinsurer shall be rated on a legal entity basis, with due consideration being given to the group rating where appropriate, except that an association including incorporated and individual unincorporated underwriters that has been approved to do business as a single certified reinsurer may be evaluated on the basis of its group rating. Factors that may be considered as part of the evaluation process include, but are not limited to, the following:
- a. The certified reinsurer’s financial strength rating from an acceptable rating agency. The maximum rating that a certified reinsurer may be assigned will correspond to its financial strength rating as outlined in the table below. The Director shall use the lowest financial strength rating received from an approved rating agency in establishing the maximum rating of a certified reinsurer. A failure to obtain or maintain at least two financial strength ratings from acceptable rating agencies will result in loss of eligibility for certification:

 - f. Regulatory actions against the certified reinsurer;

 - h. For certified reinsurers not domiciled in the U.S., audited financial statements, regulatory filings, and actuarial opinion (as filed with the non-U.S. jurisdiction supervisor, with a translation into English). Upon the initial application for certification, the Director will consider audited financial statements for the last two years filed with its non-U.S. jurisdiction supervisor;
 - i. The liquidation priority of obligations to a ceding insurer in the certified reinsurer's domiciliary jurisdiction in the context of an insolvency proceeding;
 - j. A certified reinsurer's participation in any solvent scheme of arrangement, or similar procedure, which involves U.S. ceding insurers. The Director shall receive prior notice from a certified reinsurer that proposes participation by the certified reinsurer in a solvent scheme of arrangement; and
 - k. Any other information deemed relevant by the Director.
5. Based on the analysis conducted under subsection (B)(4)(e) of this Section of a certified reinsurer's reputation for prompt payment of claims, the Director may make appropriate adjustments in the security the certified reinsurer is required to post to protect its liabilities to U.S. ceding insurers, provided that the Director shall, at a minimum, increase the security the certified reinsurer is required to post by one rating level under subsection (B)(4)(a) of this Section if the Director finds that:

- a. More than 15% of the certified reinsurer's ceding insurance clients have overdue reinsurance recoverables on paid losses of 90 days or more which are not in dispute and which exceed \$100 thousand for each cedent; or
 - b. The aggregate amount of reinsurance recoverables on paid losses which are not in dispute that are overdue by 90 days or more exceeds \$50 million.
6. The assuming insurer must submit a properly executed Form CR-1 (attached as Exhibit B) as evidence of its submission to the jurisdiction of Arizona, appointment of the Director as an agent for service of process in Arizona, and agreement to provide security for 100% of the assuming insurer's liabilities attributable to reinsurance ceded by U.S. ceding insurers if it resists enforcement of a final U.S. judgment. The Director shall not certify any assuming insurer that is domiciled in a jurisdiction that the Director has determined does not adequately and promptly enforce final U.S. judgments or arbitration awards.
7. The certified reinsurer must agree to meet applicable information filing requirements as determined by the Director, both with respect to an initial application for certification and on an ongoing basis. All information submitted by certified reinsurers which are not otherwise public information subject to disclosure shall be exempted from disclosure under A.R.S. § 20-158 and shall be withheld from public disclosure. The applicable information filing requirements are, as follows:
 - a. Notification within ten days of any regulatory actions taken against the certified reinsurer, any change in the provisions of its domiciliary license or any change in rating by an approved rating agency, including a statement describing such changes and the reasons therefore;
 - b. Annually, Form CR-F or CR-S, as applicable;
 - c. Annually, the report of the independent auditor on the financial statements of the insurance enterprise, on the basis described in subsection (B)(7)(d) below;
 - d. Annually, the most recent audited financial statements, regulatory filings, and actuarial opinion (as filed with the certified reinsurer's supervisor, with a translation into English). Upon the initial certification, audited financial statements for the last two years filed with the certified reinsurer's supervisor;
 - e. At least annually, an updated list of all disputed and overdue reinsurance claims regarding reinsurance assumed from U.S. domestic ceding insurers;
 - f. A certification from the certified reinsurer's domestic regulator that the certified reinsurer is in good standing and maintains capital in excess of the jurisdiction's highest regulatory action level; and
 - g. Any other information that the Director may reasonably require.
8. Change in Rating or Revocation of Certification.
 - a. In the case of a downgrade by a rating agency or other disqualifying circumstance, the Director shall upon written notice assign a new rating to the certified reinsurer in accordance with the requirements of subsection (B)(4)(a) of this Section.
 - b. The Director shall have the authority to suspend, revoke, or otherwise modify a certified reinsurer's certification at any time if the certified reinsurer fails to meet its obligations or security requirements under this Section, or if other financial or operating results of the certified reinsurer, or documented significant delays in payment by the certified reinsurer, lead the Director to reconsider the certified reinsurer's ability or willingness to meet its contractual obligations.

- c. If the rating of a certified reinsurer is upgraded by the Director, the certified reinsurer may meet the security requirements applicable to its new rating on a prospective basis, but the Director shall require the certified reinsurer to post security under the previously applicable security requirements as to all contracts in force on or before the effective date of the upgraded rating. If the rating of a certified reinsurer is downgraded by the Director, the Director shall require the certified reinsurer to meet the security requirements applicable to its new rating for all business it has assumed as a certified reinsurer.
- d. Upon revocation of the certification of a certified reinsurer by the Director, the assuming insurer shall be required to post security in accordance with Section R20-6-A1607 in order for the ceding insurer to continue to take credit for reinsurance ceded to the assuming insurer. If funds continue to be held in trust in accordance with Section R20-6-A1604, the Director may allow additional credit equal to the ceding insurer's pro rata share of such funds, discounted to reflect the risk of uncollectibility and anticipated expenses of trust administration. Notwithstanding the change of a certified reinsurer's rating or revocation of its certification, a domestic insurer that has ceded reinsurance to that certified reinsurer may not be denied credit for reinsurance for a period of three months for all reinsurance ceded to that certified reinsurer, unless the reinsurance is found by the Director to be at high risk of uncollectibility.

C. Qualified Jurisdictions.

- 1. If, upon conducting an evaluation under this Section with respect to the reinsurance supervisory system of any non-U.S. assuming insurer, the Director determines that the jurisdiction qualifies to be recognized as a qualified jurisdiction, the Director shall publish notice and evidence of such recognition in an appropriate manner. The Director may establish a procedure to withdraw recognition of those jurisdictions that are no longer qualified.
- 2. In order to determine whether the domiciliary jurisdiction of a non-U.S. assuming insurer is eligible to be recognized as a qualified jurisdiction, the Director shall evaluate the reinsurance supervisory system of the non-U.S. jurisdiction, both initially and on an ongoing basis, and consider the rights, benefits and the extent of reciprocal recognition afforded by the non-U.S. jurisdiction to reinsurers licensed and domiciled in the U.S. The Director shall determine the appropriate approach for evaluating the qualifications of such jurisdictions, and create and publish a list of jurisdictions whose reinsurers may be approved by the Director as eligible for certification. A qualified jurisdiction must agree to share information and cooperate with the Director with respect to all certified reinsurers domiciled within that jurisdiction. Additional factors to be considered in determining whether to recognize a qualified jurisdiction, in the discretion of the Director, include but are not limited to the following:
 - a. The framework under which the assuming insurer is regulated.
 - b. The structure and authority of the domiciliary regulator with regard to solvency regulation requirements and financial surveillance.
 - c. The substance of financial and operating standards for assuming insurers in the domiciliary jurisdiction.

- d. The form and substance of financial reports required to be filed or made publicly available by reinsurers in the domiciliary jurisdiction and the accounting principles used.
 - e. The domiciliary regulator's willingness to cooperate with U.S. regulators in general and the Director in particular.
 - f. The history of performance by assuming insurers in the domiciliary jurisdiction.
 - g. Any documented evidence of substantial problems with the enforcement of final U.S. judgments in the domiciliary jurisdiction. A jurisdiction will not be considered to be a qualified jurisdiction if the Director has determined that it does not adequately and promptly enforce final U.S. judgments or arbitration awards.
 - h. Any relevant international standards or guidance with respect to mutual recognition of reinsurance supervision adopted by the International Association of Insurance Supervisors or successor organization.
 - i. Any other matters deemed relevant by the Director.
- 3. A list of qualified jurisdictions shall be published through the NAIC Committee Process. The Director shall consider this list in determining qualified jurisdictions. If the Director approves a jurisdiction as qualified that does not appear on the list of qualified jurisdictions, the Director shall provide thoroughly documented justification with respect to the criteria provided under subsections (C)(2)(a) through (C)(2)(i) of this Section.
 - 4. U.S. jurisdictions that meet the requirements for accreditation under the NAIC financial standards and accreditation program shall be recognized as qualified jurisdictions.
- D. Recognition of Certification Issued by an NAIC Accredited Jurisdiction.**
- 1. If an applicant for certification has been certified as a reinsurer in an NAIC accredited jurisdiction, the Director has the discretion to defer to that jurisdiction's certification, and to defer to the rating assigned by that jurisdiction, if the assuming insurer submits a properly executed Form CR-1 (Exhibit B) and such additional information as the Director requires. The assuming insurer shall be considered to be a certified reinsurer in Arizona.
 - 2. Any change in the certified reinsurer's status or rating in the other jurisdiction shall apply automatically in Arizona as of the date it takes effect in the other jurisdiction. The certified reinsurer shall notify the Director of any change in its status or rating within ten days after receiving notice of the change.
 - 3. The Director may withdraw recognition of the other jurisdiction's rating at any time and assign a new rating in accordance with subsection (B)(8) of this Section.
 - 4. The Director may withdraw recognition of the other jurisdiction's certification at any time with written notice to the certified reinsurer. Unless the Director suspends or revokes the certified reinsurer's certification in accordance with subsection (B)(8) of this Section, the certified reinsurer's certification shall remain in good standing in this State for a period of three months, which shall be extended if additional time is necessary to consider the assuming insurer's application for certification in Arizona.
- E. Mandatory Funding Clause.** In addition to the clauses required under Section R20-6-A1609(B), reinsurance contracts entered into or renewed under this Section shall include a proper funding clause, which requires the certified reinsurer to provide and maintain security in an amount sufficient to avoid the imposition of any financial statement penalty on the ceding insurer under this Section for reinsurance ceded to the certified reinsurer.
- F.** The Director shall comply with all reporting and notification requirements that may be established by the NAIC with respect to certified reinsurers and qualified jurisdictions.

R20-6-A1606. Credit for Reinsurance - Reciprocal Jurisdictions; Credit for Reinsurance Required by Law

- A. Credit for reinsurance to a reciprocal jurisdiction assuming insurer. Pursuant to A.R.S. § 20-3602(H), (I), (J), (K), (L), and (R), the Director shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer that is licensed to write reinsurance by, and has its head office or is domiciled in, a reciprocal jurisdiction, and which meets the other requirements of this Part.
- B. A “reciprocal jurisdiction” is a jurisdiction, as designated by the Director pursuant to subsection (D) of this Section that meets one of the following:
1. A non-U.S. jurisdiction that is subject to an in-force covered agreement with the United States, each within its legal authority, or, in the case of a covered agreement between the United States and the European Union, is a member state of the European Union. For purposes of this subsection (B)(1), a “covered agreement” is an agreement entered into pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, 31 U.S.C. §§ 313 and 314, that is currently in effect or in a period of provisional application and addresses the elimination, under specified conditions, of collateral requirements as a condition for entering into any reinsurance agreement with a ceding insurer domiciled in this state or for allowing the ceding insurer to recognize credit for reinsurance;
 2. A U.S. jurisdiction that meets the requirements for accreditation under the NAIC financial standards and accreditation program; or
 3. A qualified jurisdiction, as determined by the Director pursuant to A.R.S. § 20-3602(G)(3) and subsection R20-6-A1605(C), which is not otherwise described in subsections (B)(1) or (B)(2) above and which the Director determines meets all of the following additional requirements:
 - a. Provides that an insurer who has its head office or is domiciled in such qualified jurisdiction shall receive credit for reinsurance ceded to a U.S.-domiciled assuming insurer in the same manner as credit for reinsurance is received for reinsurance assumed by insurers domiciled in such qualified jurisdiction;
 - b. Does not require a U.S.-domiciled assuming insurer to establish or maintain a local presence as a condition for entering into a reinsurance agreement with any ceding insurer subject to regulation by the non-U.S. jurisdiction or as a condition to allow the ceding insurer to recognize credit for such reinsurance;
 - c. Recognizes the U.S. state regulatory approach to group supervision and group capital, by providing written confirmation by a competent regulatory authority, in such qualified jurisdiction, that insurers and insurance groups who are domiciled or maintain their headquarters in this state or another jurisdiction accredited by the NAIC shall be subject only to worldwide prudential insurance group supervision including worldwide group governance, solvency and capital, and reporting, as applicable, by the Director or the commissioner of the domiciliary state and will not be subject to group supervision at the level of the worldwide parent undertaking of the insurance or reinsurance group by the qualified jurisdiction; and
 - d. Provides written confirmation by a competent regulatory authority in such qualified jurisdiction that information regarding insurers and their parent, subsidiary, or affiliated entities, if applicable, shall be provided to the Director in accordance with a

memorandum of understanding or similar document between the Director and such qualified jurisdiction, including but not limited to the International Association of Insurance Supervisors Multilateral Memorandum of Understanding or other multilateral memoranda of understanding coordinated by the NAIC.

- C. Credit shall be allowed when the reinsurance is ceded from an insurer domiciled in this state to a reciprocal jurisdiction assuming insurer meeting each of the conditions set forth below:
1. The assuming insurer must be licensed to transact insurance by, and have its head office or be domiciled in, a reciprocal jurisdiction;
 2. The assuming insurer must have and maintain on an ongoing basis minimum capital and surplus, or its equivalent, calculated on at least an annual basis as of the preceding December 31 or at the annual date otherwise statutorily reported to the reciprocal jurisdiction, and confirmed as set forth in subsection (C)(7) of this Section according to the methodology of its domiciliary jurisdiction, in the following amounts:
 - a. No less than \$250 million; or
 - b. If the assuming insurer is an association, including incorporated and individual unincorporated underwriters:
 - i. Minimum capital and surplus equivalents (net of liabilities) or own funds of the equivalent of at least \$250 million; and
 - ii. A central fund containing a balance of the equivalent of at least \$250 million.
 3. The assuming insurer must have and maintain on an ongoing basis a minimum solvency or capital ratio, as applicable, as follows:
 - a. If the assuming insurer has its head office or is domiciled in a reciprocal jurisdiction as defined in subsection (B)(1) of this Section, the ratio specified in the applicable covered agreement;
 - b. If the assuming insurer is domiciled in a reciprocal jurisdiction as defined in subsection (B)(2) of this Section, a risk-based capital (RBC) ratio of 300% of the authorized control level, calculated in accordance with the formula developed by the NAIC; or
 - c. If the assuming insurer is domiciled in a reciprocal jurisdiction as defined in subsection (B)(3) of this Section, after consultation with the reciprocal jurisdiction and considering any recommendations published through the NAIC Committee Process, such solvency or capital ratio as the Director determines to be an effective measure of solvency.
 4. The assuming insurer must agree to and provide adequate assurance, in the form of a properly executed Form RJ-1 (Exhibit E), of its agreement to the following:
 - a. The assuming insurer must agree to provide prompt written notice and explanation to the Director if it falls below the minimum requirements set forth in subsections (C)(2) or (C)(3) of this Section, or if any regulatory action is taken against it for serious noncompliance with applicable law;
 - b. The assuming insurer must consent in writing to the jurisdiction of the courts of this state and to the appointment of the Director as agent for service of process.
 - i. The Director may also require that such consent be provided and included in each reinsurance agreement under the Director's jurisdiction.
 - ii. Nothing in this provision shall limit or in any way alter the capacity of parties to a reinsurance agreement to agree to alternative dispute resolution mechanisms,

- except to the extent such agreements are unenforceable under applicable insolvency or delinquency laws;
- c. The assuming insurer must consent in writing to pay all final judgments, wherever enforcement is sought, obtained by a ceding insurer, that have been declared enforceable in the territory where the judgment was obtained;
 - d. Each reinsurance agreement must include a provision requiring the assuming insurer to provide security in an amount equal to 100% of the assuming insurer's liabilities attributable to reinsurance ceded pursuant to that agreement if the assuming insurer resists enforcement of a final judgment that is enforceable under the law of the jurisdiction in which it was obtained or a properly enforceable arbitration award, whether obtained by the ceding insurer or by its legal successor on behalf of its estate, if applicable;
 - e. The assuming insurer must confirm that it is not presently participating in any solvent scheme of arrangement, which involved this state's ceding insurers, and agrees to notify the ceding insurer and the Director and to provide 100% security to the ceding insurer consistent with the terms of the scheme, should the assuming insurer enter into such a solvent scheme of arrangement. Such security shall be in a form consistent with the provisions of A.R.S. §§ 20-3602(G) and 20-3603, Section R20-6-A1608, or Section R20-6-A1609(A). For purposes of this Section, the term "solvent scheme of arrangement" means a foreign or alien statutory or regulatory compromise procedure subject to requisite majority creditor approval and judicial sanction in the assuming insurer's home jurisdiction either to finally commute liabilities of duly noticed class members or creditors of a solvent debtor, or to reorganize or restructure the debts and obligations of a solvent debtor on a final basis, and which may be subject to judicial recognition and enforcement of the arrangement by a governing authority outside the ceding insurer's home jurisdiction; and
 - f. The assuming insurer must agree in writing to meet the applicable information filing requirements as set forth in subsection (C)(5) of this Section.
5. The assuming insurer or its legal successor must provide, if requested by the Director, on behalf of itself and any legal predecessors, the following documentation to the Director:
- a. For the two years preceding entry into the reinsurance agreement and on an annual basis thereafter, the assuming insurer's annual audited financial statements, in accordance with the applicable law of the jurisdiction of its head office or domiciliary jurisdiction, as applicable, including the external audit report;
 - b. For the two years preceding entry into the reinsurance agreement, the solvency and financial condition report or actuarial opinion, if filed with the assuming insurer's supervisor;
 - c. Prior to entry into the reinsurance agreement and not more than semi-annually thereafter, an updated list of all disputed and overdue reinsurance claims outstanding for 90 days or more, regarding reinsurance assumed from ceding insurers domiciled in the United States; and
 - d. Prior to entry into the reinsurance agreement and not more than semi-annually thereafter, information regarding the assuming insurer's assumed reinsurance by ceding insurer, ceded reinsurance by the assuming insurer, and reinsurance recoverable on paid and unpaid losses by the assuming insurer to allow for the evaluation of the criteria set forth in subsection (C)(6) of this Section.

6. The assuming insurer must maintain a practice of prompt payment of claims under reinsurance agreements. The lack of prompt payment will be evidenced if any of the following criteria is met:
 - a. More than 15% of the reinsurance recoverables from the assuming insurer are overdue and in dispute as reported by the Director;
 - b. More than 15% of the assuming insurer's ceding insurers or reinsurers have overdue reinsurance recoverable on paid losses of 90 days or more which are not in dispute and which exceed for each ceding insurer \$100 thousand, or as otherwise specified in a covered agreement; or
 - c. The aggregate amount of reinsurance recoverable on paid losses which are not in dispute, but are overdue by 90 days or more, exceeds \$50 million, or as otherwise specified in a covered agreement.
 7. The assuming insurer's supervisory authority must confirm to the Director on an annual basis that the assuming insurer complies with the requirements set forth in subsections (C)(2) and (C)(3) of this Section.
 8. Nothing in this provision precludes an assuming insurer from providing the Director with information on a voluntary basis.
- D.** The Director shall timely create and publish a list of reciprocal jurisdictions.
1. A list of reciprocal jurisdictions is published through the NAIC committee process. The Director's list shall include any reciprocal jurisdiction as defined under subsections (B)(1) and (B)(2) of this Section, and shall consider any other reciprocal jurisdiction included on the NAIC list. The Director may approve a jurisdiction that does not appear on the NAIC list of reciprocal jurisdictions as provided by applicable law, regulation, or in accordance with criteria published through the NAIC committee process.
 2. The Director may remove a jurisdiction from the list of reciprocal jurisdictions upon a determination that the jurisdiction no longer meets one or more of the requirements of a reciprocal jurisdiction, as provided by applicable law, regulation, or in accordance with a process published through the NAIC committee process, except that the Director shall not remove from the list a reciprocal jurisdiction as defined under subsections (B)(1) and (B)(2) of this Section. Upon removal of a reciprocal jurisdiction from this list, credit for reinsurance ceded to an assuming insurer domiciled in that jurisdiction shall be allowed, if otherwise allowed pursuant to A.R.S. Title 20, Chapter 30 and this Part.
- E.** The Director shall timely create and publish a list of reciprocal jurisdiction assuming insurers that have satisfied the conditions set forth in this section and to which cessions shall be granted credit in accordance with this subsection (E).
1. If an NAIC accredited jurisdiction has determined that the conditions set forth in subsection (C) of this Section have been met, the Director has the discretion to defer to that jurisdiction's determination, and add such assuming insurer to the list of assuming insurers to which cessions shall be granted credit in accordance with this subsection (E). The Director may accept financial documentation filed with another NAIC accredited jurisdiction or with the NAIC in satisfaction of the requirement of subsection (C) of this Section.
 2. When requesting that the Director defer to another NAIC accredited jurisdiction's determination, an assuming insurer must submit a properly executed Form RJ-1 (Appendix E) and additional information as the Director may require. A state that has

- received such a request will notify other states through the NAIC committee process and provide relevant information with respect to the determination of eligibility.
- F.** If the Director determines that a reciprocal jurisdiction assuming insurer no longer meets one or more of the requirements under this Section, the Director may revoke or suspend the eligibility of the reciprocal jurisdiction assuming insurer for recognition under this Section.
1. While an assuming insurer's eligibility is suspended, no reinsurance agreement issued, amended, or renewed after the effective date of the suspension qualifies for credit except to the extent that the assuming insurer's obligations under the contract are secured in accordance with Section R20-6-A1607.
 2. If an assuming insurer's eligibility is revoked, no credit for reinsurance may be granted after the effective date of the revocation with respect to any reinsurance agreements entered into by the assuming insurer, including reinsurance agreements entered into prior to the date of revocation, except to the extent that the assuming insurer's obligations under the contract are secured in a form acceptable to the Director and consistent with the provisions of Section R20-6-A1607.
- G.** Before denying statement credit or imposing a requirement to post security with respect to subsection (F) of this Section or adopting any similar requirement that will have substantially the same regulatory impact as security, the Director shall:
1. Communicate with the ceding insurer, the assuming insurer, and the assuming insurer's supervisory authority that the assuming insurer no longer satisfies one of the conditions listed in subsection (C) of this Section;
 2. Provide the assuming insurer with 30 days from the initial communication to submit a plan to remedy the defect, and 90 days from the initial communication to remedy the defect, except in exceptional circumstances in which a shorter period is necessary for policyholder and other consumer protection;
 3. After the expiration of 90 days or less, as set out in subsection (G)(2) of this Section, if the Director determines that no or insufficient action was taken by the assuming insurer, the Director may impose any of the requirements as set out in this subsection (G); and
 - d. Provide a written explanation to the assuming insurer of any of the requirements set out in this subsection (G).
- H.** If subject to a legal process of rehabilitation, liquidation, or conservation, as applicable, the ceding insurer, or its representative, may seek and, if determined appropriate by the court in which the proceedings are pending, may obtain an order requiring the reciprocal jurisdiction assuming insurer to post security for all outstanding liabilities.
- I.** Credit for reinsurance required by law. Pursuant to A.R.S. § 20-3602(M), the Director shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of A.R.S. §§ 20-3602(C) through (G) but only as to the insurance of risks located in jurisdictions where the reinsurance is required by the applicable law or regulation of that jurisdiction. As used in this Section, "jurisdiction" means state, district, or territory of the United States and any lawful national government.

R20-6-A1607. Asset or Reduction from Liability for Reinsurance Ceded to an Unauthorized Assuming Insurer not Meeting the Requirements of Sections R20-6-A1601 through R20-6-A1606

- A. Pursuant to A.R.S. § 20-3603, the Director shall allow a reduction from liability for reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of A.R.S. § 20-3602 in an amount not exceeding the liabilities carried by the ceding insurer. The reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the exclusive benefit of the ceding insurer, under a reinsurance contract with such assuming insurer as security for the payment of obligations under the reinsurance contract. The security shall be held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer or, in the case of a trust, held in a qualified United States financial institution as defined in A.R.S. § 20-3601. This security may be in the form of any of the following:
1. Cash;
 2. Securities listed by the Securities Valuation Office of the NAIC, including those deemed exempt from filing as defined by the Purposes and Procedures Manual of the Securities Valuation Office, and qualifying as admitted assets;
 3. Clean, irrevocable, unconditional, and “evergreen” letters of credit issued or confirmed by a qualified United States institution, as defined in A.R.S. § 20-3601, effective no later than December 31 of the year for which filing is being made, and in the possession of, or in trust for, the ceding insurer on or before the filing date of its annual statement. Letters of credit meeting applicable standards of issuer acceptability as of the dates of their issuance (or confirmation) shall, notwithstanding the issuing (or confirming) institution’s subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification or amendment, whichever first occurs; or
 4. Any other form of security acceptable to the Director.
- B. An admitted asset or a reduction from liability for reinsurance ceded to an unauthorized assuming insurer pursuant to this Section shall be allowed only when the requirements of subsection R20-6-A1609(B) and the applicable portions of Section R20-6-A1608 or subsection R20-6-A1609(A) have been satisfied.

R20-6-A1608. Trust Agreements Qualified under Section R20-6-A1607; Letters of Credit Qualified under Section R20-6-A1607

- A. Trust agreements - definitions. As used in subsections B through G of this Section:
1. “Beneficiary” includes any successor by operation of law of the named beneficiary, including without limitation any liquidator, rehabilitator, receiver, or conservator.
 2. “Grantor” means the entity that has established a trust for the sole benefit of the beneficiary. When established in conjunction with a reinsurance agreement, the grantor is the unlicensed, unaccredited assuming insurer.
 3. “Obligations,” as used in subsection (B)(11) of this Section, means:
 - a. Reinsured losses and allocated loss expenses paid by the ceding company but not recovered from the assuming insurer;
 - b. Reserves for reinsured losses reported and outstanding;
 - c. Reserves for reinsured losses incurred but not reported; and
 - d. Reserves for allocated reinsured loss expenses and unearned premiums.
- B. Trust agreements - required conditions.

1. The trust agreement shall be entered into between the beneficiary, the grantor, and a trustee, which shall be a qualified United States financial institution as defined in A.R.S. § 20-3601.
2. The trust agreement shall create a trust account into which assets shall be deposited.
3. All assets in the trust account shall be held by the trustee at the trustee's office in the United States.
4. The trust agreement shall provide that:
 - a. The beneficiary shall have the right to withdraw assets from the trust account at any time, without notice to the grantor, subject only to written notice from the beneficiary to the trustee;
 - b. No other statement or document is required to be presented in order to withdraw assets, except that the beneficiary may be required to acknowledge receipt of withdrawn assets;
 - c. It is not subject to any conditions or qualifications outside of the trust agreement; and
 - d. It shall not contain references to any other agreements or documents except as provided for in subsections (B)(11) and (B)(12) of this Section.
5. The trust agreement shall be established for the sole benefit of the beneficiary.
6. The trust agreement shall require the trustee to:
 - a. Receive assets and hold all assets in a safe place;
 - b. Determine that all assets are in such form that the beneficiary, or the trustee upon direction by the beneficiary, may whenever necessary negotiate any such assets, without consent or signature from the grantor or any other person or entity;
 - c. Furnish to the grantor and the beneficiary a statement of all assets in the trust account upon its inception and at intervals no less frequent than the end of each calendar quarter;
 - d. Notify the grantor and the beneficiary within ten days, of any deposits to or withdrawals from the trust account;
 - e. Upon written demand of the beneficiary, immediately take any and all steps necessary to transfer absolutely and unequivocally all right, title, and interest in the assets held in the trust account to the beneficiary and deliver physical custody of the assets to the beneficiary; and
 - f. Allow no substitutions or withdrawals of assets from the trust account, except on written instructions from the beneficiary, except that the trustee may, without the consent of but with notice to the beneficiary, upon call or maturity of any trust asset, withdraw such asset upon condition that the proceeds are paid into the trust account.
7. The trust agreement shall provide that at least 30 days, but not more than 45 days, prior to termination of the trust account, written notification of termination shall be delivered by the trustee to the beneficiary.
8. The trust agreement shall be made subject to and governed by the laws of the state in which the trust is domiciled.
9. The trust agreement shall prohibit invasion of the trust corpus for the purpose of paying commission to, or reimbursing the expenses of, the trustee. In order for a letter of credit to qualify as an asset of the trust, the trustee shall have the right and the obligation pursuant to the deed of trust or some other binding agreement (as duly approved by the Director), to immediately draw down the full amount of the letter of credit and hold the

proceeds in trust for the beneficiaries of the trust if the letter of credit will otherwise expire without being renewed or replaced.

10. The trust agreement shall provide that the trustee shall be liable for its negligence, willful misconduct, or lack of good faith. The failure of the trustee to draw against the letter of credit in circumstances where such draw would be required shall be deemed to be negligence and/or willful misconduct.
11. Notwithstanding other provisions of subsections A through G of this Section, when a trust agreement is established in conjunction with a reinsurance agreement covering risks other than life, annuities, and accident and health, where it is customary practice to provide a trust agreement for a specific purpose, the trust agreement may provide that the ceding insurer shall undertake to use and apply amounts drawn upon the trust account, without diminution because of the insolvency of the ceding insurer or the assuming insurer, only for the following purposes:
 - a. To pay or reimburse the ceding insurer for the assuming insurer's share under the specific reinsurance agreement regarding any losses and allocated loss expenses paid by the ceding insurer, but not recovered from the assuming insurer, or for unearned premiums due to the ceding insurer if not otherwise paid by the assuming insurer;
 - b. To make payment to the assuming insurer of any amounts held in the trust account that exceed 102% of the actual amount required to fund the assuming insurer's obligations under the specific reinsurance agreement; or
 - c. Where the ceding insurer has received notification of termination of the trust account and where the assuming insurer's entire obligations under the specific reinsurance agreement remain unliquidated and undischarged ten days prior to the termination date, to withdraw amounts equal to the obligations and deposit those amounts in a separate account, in the name of the ceding insurer in any qualified United States financial institution as defined in A.R.S. § 20-3601 apart from its general assets, in trust for such uses and purposes specified in subsections (11)(a) and (11)(b) above as may remain executory after such withdrawal and for any period after the termination date.
12. Notwithstanding other provisions of subsections (A) through (G) of this Section, when a trust agreement is established to meet the requirements of Section R20-6-A1607 in conjunction with a reinsurance agreement covering life, annuities, or accident and health risks, where it is customary to provide a trust agreement for a specific purpose, the trust agreement may provide that the ceding insurer shall undertake to use and apply amounts drawn upon the trust account, without diminution because of the insolvency of the ceding insurer or the assuming insurer, only for the following purposes:
 - a. To pay or reimburse the ceding insurer for:
 - i. The assuming insurer's share under the specific reinsurance agreement of premiums returned, but not yet recovered from the assuming insurer, to the owners of policies reinsured under the reinsurance agreement on account of cancellations of the policies; and
 - ii. The assuming insurer's share under the specific reinsurance agreement of surrenders and benefits or losses paid by the ceding insurer, but not yet recovered from the assuming insurer, under the terms and provision of the policies reinsured under the reinsurance agreement.

- b. To pay to the assuming insurer amounts held in the trust account in excess of the amount necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer, or
 - c. Where the ceding insurer has received notification of termination of the trust and where the assuming insurer's entire obligations under the specific reinsurance agreement remain unliquidated and undischarged ten days prior to the termination date, to withdraw amounts equal to the assuming insurer's share of liabilities, to the extent that the liabilities have not yet been funded by the assuming insurer, and deposit those amounts in a separate account, in the name of the ceding insurer in any qualified U.S. financial institution apart from its general assets, in trust for the uses and purposes specified in subsections (12)(a) and (12)(b) above as may remain executory after withdrawal and for any period after the termination date.
13. Either the reinsurance agreement or the trust agreement must stipulate that assets deposited in the trust account shall be valued according to their current fair market value and shall consist only of cash in United States dollars, certificates of deposit issued by a United States bank and payable in United States dollars, and investments permitted by the Insurance Code, or any combination of the above, provided investments in or issued by an entity controlling, controlled by, or under common control with either the grantor or the beneficiary of the trust shall not exceed 5% of total investments. The agreement may further specify the types of investments to be deposited. If the reinsurance agreement covers life, annuities, or accident and health risks, then the provisions required by this subsection must be included in the reinsurance agreement.
- C. Trust agreements - permitted conditions.
- 1. The trust agreement may provide that the trustee may resign upon delivery of a written notice of resignation, effective not less than 90 days after the beneficiary and grantor receive the notice and that the trustee may be removed by the grantor by delivery to the trustee and the beneficiary of a written notice of removal, effective not less than 90 days after the trustee and the beneficiary receive the notice, provided that no such resignation or removal shall be effective until a successor trustee has been duly appointed and approved by the beneficiary and the grantor and all assets in the trust have been duly transferred to the new trustee.
 - 2. The grantor may have the full and unqualified right to vote any shares of stock in the trust account and to receive from time to time payments of any dividends or interest upon any shares of stock or obligations included in the trust account. Any interest or dividends shall be either forwarded promptly upon receipt to the grantor or deposited in a separate account established in the grantor's name.
 - 3. The trustee may be given authority to invest, and accept substitutions of, any funds in the account, provided that no investment or substitution shall be made without prior approval of the beneficiary, unless the trust agreement specifies categories of investments acceptable to the beneficiary and authorizes the trustee to invest funds and to accept substitutions that the trustee determines are at least equal in current fair market value to the assets withdrawn and that are consistent with the restrictions in subsection (D)(1)(b) of this Section.
 - 4. The trust agreement may provide that the beneficiary may at any time designate a party to which all or part of the trust assets are to be transferred. Transfer may be conditioned upon the trustee receiving, prior to or simultaneously, other specified assets.

5. The trust agreement may provide that, upon termination of the trust account, all assets not previously withdrawn by the beneficiary shall, with written approval by the beneficiary, be delivered over to the grantor.
- D. Trust agreements - additional conditions applicable to reinsurance agreements:**
1. A reinsurance agreement may contain provisions that:
 - a. Require the assuming insurer to enter into a trust agreement and to establish a trust account for the benefit of the ceding insurer, and specifying what the agreement is to cover;
 - b. Require the assuming insurer, prior to depositing assets with the trustee, to execute assignments or endorsements in blank, or to transfer legal title to the trustee of all shares, obligations, or any other assets requiring assignments, in order that the ceding insurer, or the trustee upon the direction of the ceding insurer, may whenever necessary negotiate these assets without consent or signature from the assuming insurer or any other entity;
 - c. Require that all settlements of account between the ceding insurer and the assuming insurer be made in cash or its equivalent; and
 - d. Stipulate that the assuming insurer and the ceding insurer agree that the assets in the trust account, established pursuant to the provisions of the reinsurance agreement, may be withdrawn by the ceding insurer at any time, notwithstanding any other provisions in the reinsurance agreement, and shall be utilized and applied by the ceding insurer or its successors in interest by operation of law, including without limitation any liquidator, rehabilitator, receiver, or conservator of such company, without diminution because of insolvency on the part of the ceding insurer or the assuming insurer, only for the following purposes:
 - i. To pay or reimburse the ceding insurer for the assuming insurer's share under the specific reinsurance agreement of premiums returned, but not yet recovered from the assuming insurer, to the owners of policies reinsured under the reinsurance agreement because of cancellations of such policies; and
 - ii. To pay or reimburse the ceding insurer for the assuming insurer's share of surrenders and benefits or losses paid by the ceding insurer pursuant to the provisions of the policies reinsured under the reinsurance agreement; and
 - iii. To pay or reimburse the ceding insurer for any other amounts necessary to secure the credit or reduction from liability for reinsurance taken by the ceding reinsurer; or
 - iv. To make payment to the assuming insurer of amounts held in the trust account in excess of the amount necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer.
 2. The reinsurance agreement also may contain provisions that:
 - a. Give the assuming insurer the right to seek approval from the ceding insurer, which shall not be unreasonably or arbitrarily withheld, to withdraw from the trust account all or any part of the trust assets and transfer those assets to the assuming insurer, provided:
 - i. The assuming insurer shall, at the time of withdrawal, replace the withdrawn assets with other qualified assets having a current fair market value equal to the market value of the assets withdrawn so as to maintain at all times the deposit in the required amount, or

- ii. After withdrawal and transfer, the current fair market value of the trust account is no less than 102% of the required amount.
 - b. Provide for the return of any amount withdrawn in excess of the actual amounts required for subsection (D)(1)(d) of this Section, and for interest payments at a rate not in excess of the prime rate of interest on such amounts;
 - c. Permit the award by any arbitration panel or court of competent jurisdiction of:
 - i. Interest at a rate different from that provided in subsection (D)(2)(b) of this Section;
 - ii. Court or arbitration costs;
 - iii. Attorney's fees; and
 - iv. Any other reasonable expenses.
- E.** Trust agreements - financial reporting. A trust agreement may be used to reduce any liability for reinsurance ceded to an unauthorized assuming insurer in financial statements required to be filed with the Director in compliance with the provisions of this Part when established on or before the date of filing of the financial statement of the ceding insurer. Further, the reduction for the existence of an acceptable trust account may be up to the current fair market value of acceptable assets available to be withdrawn from the trust account at that time, but such reduction shall be no greater than the specific obligations under the reinsurance agreement that the trust account was established to secure.
- F.** Trust agreements - existing agreements. Notwithstanding the effective date of this Part, any trust agreement or underlying reinsurance agreement in existence and approved by the Director prior to the effective date of this Part will continue to be acceptable until December 31, 2016, at which time the agreements will have to fully comply with subsections (A) through (G) of this Section for the trust agreement to be acceptable.
- G.** Trust agreements - failure to identify beneficiary. The failure of any trust agreement to specifically identify the beneficiary as defined in subsection (A)(1) of this Section shall not be construed to affect any actions or rights that the Director may take or possess pursuant to the provisions of the laws of Arizona.
- H.** Letters of credit. The letter of credit must be clean, irrevocable, unconditional, and issued or confirmed by a qualified United States financial institution as defined A.R.S. § 20-3601. The letter of credit shall contain an issue date and expiration date and shall stipulate that the beneficiary need only draw a sight draft under the letter of credit and present it to obtain funds and that no other document need be presented. The letter of credit also shall indicate that it is not subject to any condition or qualifications outside of the letter of credit. In addition, the letter of credit itself shall not contain reference to any other agreements, documents or entities, except as provided in subsection (N)(1) of this Section. As used in this Section, "beneficiary" includes any successor by operation of law of the named beneficiary, including without limitation any liquidator, rehabilitator, receiver, or conservator. If a court of law appoints a successor in interest to the named beneficiary, then the named beneficiary includes and is limited to the court appointed domiciliary receiver (including conservator, rehabilitator, or liquidator).
- I.** Letters of credit - heading. The heading of the letter of credit may include a boxed section containing the name of the applicant and other appropriate notations to provide a reference for the letter of credit. The boxed section shall be clearly marked to indicate that such information is for internal identification purposes only.
- J.** Letters of credit - required statements and clauses.

1. A letter of credit shall contain a statement to the effect that the obligation of the qualified United States financial institution under the letter of credit is in no way contingent upon reimbursement with respect thereto.
 2. The letter of credit shall state whether it is subject to and governed by the laws of Arizona or the Uniform Customs and Practice for Documentary Credits of the International Chamber of Commerce Publication 600 (UCP 600) or International Standby Practices of the International Chamber of Commerce Publication 590 (ISP98). All drafts of letters of credit drawn according to UCP 600 or ISP98 shall be presentable at an office in the United States of a qualified United States financial institution.
 3. The letter of credit shall contain an "evergreen clause" in compliance with subsection (K) of this Section.
- K.** Letters of credit - term of the letter of credit. The term of the letter of credit shall be for at least one year and shall contain an "evergreen clause" that prevents the expiration of the letter of credit without due notice from the issuer. The "evergreen clause" shall provide for no less than 30 days' notice prior to expiration date or nonrenewal.
- L.** Letters of credit made subject to UCP 600 or ISP98. If the letter of credit is made subject to the Uniform Customs and Practice for Documentary Credits of the International Chamber of Commerce Publication 600 (UCP 600) or International Standby Practices of the International Chamber of Commerce Publication 590 (ISP98), then the letter of credit shall specifically address and provide for an extension of time to draw against the letter of credit in the event that one or more of the occurrences specified in Article 36 of UCP 600 occur.
- M.** Letters of credit - additional requirements. If the letter of credit is issued by a financial institution authorized to issue letters of credit, other than a qualified United States financial institution as described in subsection (H) of this Section, then the following additional requirements shall be met:
1. The issuing financial institution shall formally designate the confirming qualified United States financial institution as its agent for the receipt and payment of the drafts; and
 2. The "evergreen clause" shall provide for 30 days' notice prior to expiration date or nonrenewal.
- N.** Letters of credit - reinsurance agreement provisions.
1. The reinsurance agreement in conjunction with which the letter of credit is obtained may contain provisions that:
 - a. Require the assuming insurer to provide letters of credit to the ceding insurer and specify what they are to cover;
 - b. Stipulate that the assuming insurer and ceding insurer agree that the letter of credit provided by the assuming insurer pursuant to the provisions of the reinsurance agreement may be drawn upon at any time, notwithstanding any other provisions in the agreement, and shall be utilized by the ceding insurer or its successors in interest only for one or more of the following reasons:
 - i. To pay or reimburse the ceding insurer for the assuming insurer's share under the specific reinsurance agreement of premiums returned, but not yet recovered from the assuming insurers, to the owners of policies reinsured under the reinsurance agreement on account of cancellations of such policies;
 - ii. To pay or reimburse the ceding insurer for the assuming insurer's share, under the specific reinsurance agreement, of surrenders and benefits or losses paid by the

- ceding insurer, but not yet recovered from the assuming insurers, under the terms and provisions of the policies reinsured under the reinsurance agreement; and
- iii. To pay or reimburse the ceding insurer for any other amounts necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer;
 - iv. Where the letter of credit will expire without renewal or be reduced or replaced by a letter of credit for a reduced amount and where the assuming insurer's entire obligations under the reinsurance agreement remain unliquidated and undischarged ten days prior to the termination date, to withdraw amounts equal to the assuming insurer's share of the liabilities, to the extent that the liabilities have not yet been funded by the assuming insurer and exceed the amount of any reduced or replacement letter of credit, and deposit those amounts in a separate account in the name of the ceding insurer in a qualified U.S. financial institution apart from its general assets, in trust for such uses and purposes specified in subsections (N)(1)(b)(i), (N)(1)(b)(ii), and (N)(1)(b)(iii) of this Section as may remain after withdrawal and for any period after the termination date.
- c. All of the provisions of subsections (N)(1)(a) and (N)(1)(b) of this Section shall be applied without diminution because of insolvency on the part of the ceding insurer or assuming insurer.
2. Nothing contained in subsection (N)(1) of this Section shall preclude the ceding insurer and assuming insurer from providing for:
 - a. An interest payment, at a rate not in excess of the prime rate of interest on the amounts held pursuant to subsection (N)(1)(b) of this Section; or
 - b. The return of any amounts drawn down on the letters of credit in excess of the actual amounts required for the above or any amounts that are subsequently determined not to be due.

R20-6-A1609. Other Security; Reinsurance Contract; Contracts Affected

- A. Other Security. A ceding insurer may take credit for unencumbered funds withheld by the ceding insurer in the United States subject to withdrawal solely by the ceding insurer and under its exclusive control.
- B. Reinsurance Contract. Credit will not be granted, nor an asset or reduction from liability allowed, to a ceding insurer for reinsurance effected with assuming insurers meeting the requirements of Sections R20-6-A1601 through R20-6-A1605 or Section R20-6-A1607 of this Article or otherwise in compliance with A.R.S. § 20-3602 after the adoption of this Part unless the reinsurance agreement:
 1. Includes a proper insolvency clause, which stipulates that reinsurance is payable directly to the liquidator or successor without diminution regardless of the status of the ceding company, pursuant to A.R.S. § 20-261(C);
 2. Includes a provision pursuant to A.R.S. § 20-3602 whereby the assuming insurer, if an unauthorized assuming insurer, has submitted to the jurisdiction of an alternative dispute resolution panel or court of competent jurisdiction within the United States, has agreed to comply with all requirements necessary to give the court or panel jurisdiction, has designated an agent upon whom service of process may be effected, and has agreed to abide by the final decision of the court or panel; and

3. Includes a proper reinsurance intermediary clause, if applicable, which stipulates that the credit risk for the intermediary is carried by the assuming insurer.
- C. Contracts affected.** All new and renewal reinsurance transactions entered into after the effective date of this Part shall conform to the requirements of A.R.S. Title 20, Chapter 30 and this Part if credit is to be given to the ceding insurer for such reinsurance.

 - a. The risks are clearly outside of the intent and purpose of this Part B;
 - b. The risks are included within the scope of this regulation only as a technicality; and
 - c. The application of this Part B to those risks is not necessary to provide appropriate protection to policyholders. The Director shall publicly disclose any decision made pursuant to this subsection (B)(6) to exempt a reinsurance treaty from this Part B, as well as the general basis for the decision including a summary of the treaty.
- C. Part B Definitions:**
1. “Actuarial Method” means the methodology used to determine the Required Level of Primary Security, as described in Section R20-6-B1602.
 2. “Covered Policies” means policies, other than Grandfathered Policies and policies that are not exempt under subsection (B) of this Section, of the following policy types:

- a. Life insurance policies with guaranteed nonlevel gross premiums and/or guaranteed nonlevel benefits, except for flexible premium universal life insurance policies; or

3. “Grandfathered Policies” means Covered Policies that were:
 - a. Issued prior to January 1, 2015; and

R20-6-B1602. The Actuarial Method

- A. Actuarial Method.** The Actuarial Method to establish the Required Level of Primary Security for each reinsurance treaty subject to this Part B shall be VM-20, applied on a

treaty-by-treaty basis, including all relevant definitions, from the Valuation Manual then in effect, applied as follows:

1. For Covered Policies described in subsection R20-6-B1601(C)(2)(a), the Actuarial Method is the greater of the Deterministic Reserve or the Net Premium Reserve (NPR) regardless of whether the criteria for exemption testing can be met. However, if the Covered Policies do not meet the requirements of the Stochastic Reserve exclusion test in the Valuation Manual, then the Actuarial Method is the greatest of the Deterministic Reserve, the Stochastic Reserve, or the NPR. In addition, if such Covered Policies are reinsured in a reinsurance treaty that also contains Covered Policies described in subsection R20-6-B1601(C)(2)(b), the ceding insurer may elect to instead use subsection (A)(2) below as the Actuarial Method for the entire reinsurance agreement. Whether subsection (A)(1) or (A)(2) is used, the Actuarial Method must comply with any requirements or restrictions that the Valuation Manual imposes when aggregating these policy types for purposes of principle-based reserve calculations.
2. For Covered Policies described in subsection R20-6-B1601(C)(2)(b), the Actuarial Method is the greatest of the Deterministic Reserve, the Stochastic Reserve, or the NPR regardless of whether the criteria for exemption testing can be met.
3. Except as provided in subsection (A)(4) below, the Actuarial Method is to be applied on a gross basis to all risks with respect to the Covered Policies as originally issued or assumed by the ceding insurer.
4. If the reinsurance treaty cedes less than 100% of the risk with respect to the Covered Policies, then the Required Level of Primary Security may be reduced as follows:
 - a. If a reinsurance treaty cedes only a quota share of some of all of the risks pertaining to the Covered Policies, the Required Level of Primary Security, as well as any adjustment under subsection (A)(4)(c) below, may be reduced to a pro rata portion in accordance with the percentage of the risk ceded;
 - b. If the reinsurance treaty in a non-exempt arrangement cedes only the risks pertaining to a secondary guarantee, the Required Level of Primary Security may be reduced by an amount determined by applying the Actuarial Method on a gross basis to all risks, other than risks related to the secondary guarantee, pertaining to the Covered Policies, except that for Covered Policies for which the ceding insurer did not elect to apply the provisions of VM-20 to establish statutory reserves, the Required Level of Primary Security may be reduced by the statutory reserve retained by the ceding insurer on those Covered Policies, where the retained reserve of those Covered Policies should be reflective of any reduction pursuant to the cessation of mortality risk on a yearly renewable term basis in an exempt arrangement;
 - c. If a portion of the covered policy risk is ceded to another reinsurer on a yearly renewable term basis in an exempt arrangement, the Required Level of Primary Security may be reduced by the amount resulting by applying the Actuarial Method including the reinsurance section of VM-20 to the portion of the covered policy risks ceded in the exempt arrangement, except that for Covered Policies issued prior to January 1, 2017, this adjustment is not to exceed $[c_x / (2 * \text{number of reinsurance premiums per year})]$ where c_x is calculated using the same mortality table used in calculating the Net Premium Reserve; and

- d. For any other treaty ceding a portion of risk to a different reinsurer, including but not limited to stop loss, excess of loss, and other non-proportional reinsurance treaties, there will be no reduction in the Required Level of Primary Security.

It is possible for any combination of subsections (A)(4)(a), (A)(4)(b), (A)(4)(c), and (A)(4)(d) to apply. Such adjustments to the Required Level of Primary Security will be done in the sequence that accurately reflects the portion of the risk ceded via the treaty. The ceding insurer should document the rationale and steps taken to accomplish the adjustments to the Required Level of Primary Security due to the cession of less than 100% of the risk.

The adjustments for other reinsurance will be made only with respect to reinsurance treaties entered into directly by the ceding insurer. The ceding insurer will make no adjustment as a result of a retrocession treaty entered into by the assuming insurers.

5. In no event will the Required Level of Primary Security resulting from application of the Actuarial Method exceed the amount of statutory reserves ceded.
6. If the ceding insurer cedes risk with respect to Covered Policies, including any riders, in more than one reinsurance treaty subject to this Part B, in no event will the aggregate Required Level of Primary Security for those reinsurance treaties be less than the Required Level of Primary Security calculated using the Actuarial Method as if all risks ceded in those treaties were ceded in a single treaty subject to this Part B.
7. If a reinsurance treaty subject to this Part B cedes risk on both Covered and Non-Covered Policies, credit for the ceded reserves shall be determined as follows:
 - a. The Actuarial Method shall be used to determine the Required Level of Primary Security for the Covered Policies, and R20-6-B1603 shall be used to determine the reinsurance credit for the covered policy reserves; and
 - b. Credit for the non-covered policy reserves shall be granted only to the extent that security, in addition to the security held to satisfy the requirements of subsection (A)(7)(a), is held by or on behalf of the ceding insurer in accordance with A.R.S. §§ 20-3602 and 20-3603. Any Primary Security used to meet the requirements of this subsection (A)(7)(b) may not be used to satisfy the Required Level of Primary Security for the Covered Policies.

B. Valuation used for Purposes of Calculations. For the purposes of both calculating the Required Level of Primary Security pursuant to the Actuarial Method and determining the amount of Primary Security and Other Security, as applicable, held by or on behalf of the ceding insurer, the following shall apply:

1. For assets, including any such assets held in trust, that would be admitted under the NAIC Accounting Practices and Procedures Manual if they were held by the ceding insurer, the valuations are to be determined according to statutory accounting procedures as if such assets were held in the ceding insurer's general account and without taking into consideration the effect of any prescribed or permitted practices; and
2. For all other assets, the valuations are to be those that were assigned to the assets for the purpose of determining the amount of reserve credit taken. In addition, the asset spread tables and asset default cost tables required by VM-20 shall be included in the Actuarial Method if adopted by the NAIC's Life Actuarial (A) Task Force no later than the December 31st on or immediately preceding the valuation date for which the Required Level of Primary Security is being calculated. The tables of asset spreads and asset

default costs shall be incorporated into the Actuarial Method in the manner specified in VM-20.

R20-6-B1603. Requirements Applicable to Covered Policies to Obtain Credit for Reinsurance; Opportunity for Remediation

- A.** Requirements. Subject to the exemptions described in Section R20-6-B1601(B) and the provisions of subsection (B) of this Section, credit for reinsurance shall be allowed with respect to ceded liabilities pertaining to Covered Policies pursuant to A.R.S. §§ 20-3602 or 20-3603 if, and only if, in addition to all other requirements imposed by law or regulation, the following requirements are met on a treaty-by-treaty basis:
1. The ceding insurer's statutory policy reserves with respect to the Covered Policies are established in full and in accordance with the applicable requirements of A.R.S. § 20-510 and related regulations and actuarial guidelines, and credit claimed for any reinsurance treaty subject to this regulation does not exceed the proportionate share of those reserves ceded under the contract; and
 2. The ceding insurer determines the Required Level of Primary Security with respect to each reinsurance treaty subject to this Part B and provides support for its calculation as determined to be acceptable to the Director; and
 3. Funds consisting of Primary Security, in an amount at least equal to the Required Level of Primary Security, are held by or on behalf of the ceding insurer, as security under the reinsurance treaty within the meaning of A.R.S. § 20-3603, on a funds withheld, trust, or modified coinsurance basis; and
 4. Funds consisting of Other Security, in an amount at least equal to any portion of the statutory reserves as to which Primary Security is not held pursuant to subsection (A)(3), are held by or on behalf of the ceding insurer as security under the reinsurance treaty within the meaning of A.R.S. § 20-3603; and
 5. Any trust used to satisfy the requirements of this Section shall comply with all of the conditions and qualifications of R20-6-A1608(A) through (G), except that:
 - a. Funds consisting of Primary Security or Other Security held in trust, shall for the purposes identified in R20-6-B1602(B), be valued according to the valuation rules set forth in R20-6-B1602(B), as applicable; and
 - b. There are no affiliate investment limitations with respect to any security held in the trust if such security is not needed to satisfy the requirements of subsection (A)(3); and
 - c. The reinsurance treaty must prohibit withdrawals or substitutions of trust assets that would leave the fair market value of the Primary Security within the trust (when aggregated with Primary Security outside the trust that is held by or on behalf of the ceding insurer in the manner required by subsection (A)(3) below 102% of the level required by subsection (A)(3) at the time of the withdrawal or substitution; and
 - d. The determination of reserve credit under Section R20-6-A1608(E) shall be determined according to the valuation rules set forth in Section R20-6-B1602(B), as applicable; and
 6. The reinsurance treaty has been approved by the Director.
- B.** Requirements at inception date and on an on-going basis; remediation:

1. The requirements of subsection (A) of this Section must be satisfied as of the date that risks under Covered Policies are ceded (if such date is on or after the effective date of this Part B) and on an ongoing basis thereafter. Under no circumstances shall a ceding insurer take or consent to any action or series of actions that would result in a deficiency under subsections (A)(3) or (A)(4) of this Section with respect to any reinsurance treaty under which Covered Policies have been ceded, and in the event that a ceding insurer becomes aware at any time that such a deficiency exists, it shall use its best efforts to arrange for the deficiency to be eliminated as expeditiously as possible.
2. Prior to the due date of each quarterly or annual statement, each life insurance company that has ceded reinsurance within the scope of subsection R20-6-B1601(A) shall perform an analysis, on a treaty-by-treaty basis, to determine, as to each reinsurance treaty under which Covered Policies have been ceded, whether as of the end of the immediately preceding calendar quarter (the valuation date) the requirements of subsections (A)(3) and (A)(4) of this Section were satisfied. The ceding insurer shall establish a liability equal to the excess of the credit for reinsurance taken over the amount of Primary Security actually held pursuant to subsection (A)(3) of this Section, unless either:
 - a. The requirements of subsections (A)(3) and (A)(4) of this Section were fully satisfied as of the valuation date as to the reinsurance treaty; or
 - b. Any deficiency has been eliminated before the due date of the quarterly or annual statement to which the valuation date relates through the addition of Primary Security and/or Other Security, as the case may be, in such amount and in such form as would have caused the requirements of subsections (A)(3) and (A)(4) of this Section to be fully satisfied as of the valuation date.
3. Nothing in subsection (B)(2) of this Section shall be construed to allow a ceding company to maintain any deficiency under subsection (A)(3) or (A)(4) of this Section for any period of time longer than is reasonably necessary to eliminate it.
