

HOMEOWNERS INSURANCE COMPANIES - FORESTED AREAS

Updated February 6, 2025

Following is a list with the names of insurance companies that are licensed by the Arizona Department of Insurance & Financial Institutions (Department), and *may* be offering homeowners insurance policies in forested areas in Arizona.

Eligibility requirements, costs, and coverage will vary depending on the insurance company, applicant, property and coverage selected. The Department highly encourages consumers to contact a licensed agent or an insurer directly for more information about which policies may be available in your area. If you cannot find a licensed insurer to insure your home from the list below, consider the following resources:

- Arizona Independent Agent & Brokers Association - <https://www.iiabaz.com>
- Arizona Surplus Lines Association - 602-279-6344
