- Premium rates may increase each calendar quarter and may vary due to rounding. Refer to rates on file for additional detail.
- Based on information contained in the System for Eleectronic Rate and Form Filing (SERFF).
- The minimum premium is the lowest possible for all plan IDs associated with the SERFF ID and within the given metal level and county, the maximum premium is the highest possible premium.
- The average premium is calculated by averaging all plan IDs associated with the SERFF ID and within each metal level and county.
