**Notice to Applicant Pursuant to A.R.S. § 41-1030** - An agency shall not base a licensing decision in whole or in part on a licensing requirement or condition that is not specifically authorized by statute, rule or state tribal gaming compact. A general grant of authority in statute does not constitute a basis for imposing a license requirement or condition unless a rule is made pursuant to that general grant of authority that specifically authorizes the requirement or condition. This section may be enforced in a private civil action and relief may be awarded against the State. The court may award reasonable attorney fees, damages and all fees associated with the license application to a party that prevails in an action against the state for a violation of this section. A State employee may not intentionally or knowingly violate this section. A violation of this section is cause for disciplinary action or dismissed pursuant to the Agency’s adopted personnel policy.
